- **Agronomy Updates:** Continuing to sign the health declaration each morning.
- Masks will continue to be worn in the building when not eating or drinking as recommended by WorkSafe BC, regardless of vaccinations.
- Reminded everyone is responsible for reporting on course accidents or incidents in the workplace. Including near misses.
- CSA approved hearing protection is allowed on course – ear buds with or without cords are not permitted.
- Continue to apply sunscreen.
- Lots of water and snacks while out on course.
- Take micro breaks while on a physically demanding shift.
- Wear head protection.
- Any signs of heat fatigue, notify first aid.
- Employee hurt neck while mowing fairways, first aid form completed, no missed work.
- Near miss: Employee had a golf club accidentally thrown at him, no injury.

Horticulture Updates:

- There were no near misses, injuries, medical attention or missed work to report for the month July.
- Horticulture completed our Communicable Disease Prevention plan as per WorkSafeBC guide and the team has signed off on the plan.
- Horticulture continues with the Daily Coronavirus protocols.
- Screening for Heat Stress was completed on shifts where heat warnings were issued.
