Agronomy Updates:

- Continuing same COVID-19 protocols that have been implemented
- First aid attendants are carrying first aid kits and forms – please confirm in June meeting, are they always carrying these on their person or in the utility vehicle?
- Completed painting safety lines on golf course – 16 valley
- Mechanic bay has not been spray painted for safety
- Employees reminded to stay hydrated and use sunscreen in hot weather
- 4 incidents in May and 1 near miss:
 - Employee felt sharp pain in back while raking bunkers, first aid form completed, fully recovered, no missed work
 - Employee started experiencing blisters while walk-mowing, first aid form completed, fully recovered, no missed work
 - Employee re-aggravated a neck injury while mowing greens, first aid and EIRR 1-14 was completed. Drove themselves home and rested the sore area, no missed work
 - Employee stepped on uneven surface and jarred right side of back, first aid form completed and no missed work
 - Near miss: Employee drove up on curb while trying to retrieve garbage, EIRR was completed, no injury, some damage to the cart
